

# 6+1 Traits of Writing Note Chart

Choose a chart style that you prefer: Column chart or Circle chart. Examples are below:

IDEAS/ CONTENT	ORGANIZATION	WORD CHOICE	SENTENCE FLUENCY	VOICE	CONVENTIONS	PRESENTATION

OR

Using your notes, fill in your chart with the trait, definition, and example of that trait in the respective boxes. For example, the definition goes in the second line and the example goes in the third line of the column chart. The trait name goes in the outer circle, the definition in the second circle, and the example in the third circle for the circle chart. Your +1 Presentation definition and example go in the center circle. Color code the traits: Ideas/content (Red), Organization (blue), Word Choice (green), Sentence fluency (purple), Voice (yellow), Conventions (orange), and Presentation (brown)
