

“PUMPKIN PEOPLE” Activity Directions

Step 1: Make sure you have downloaded the “Pumpkin Character Set” from our website OR use the laminated cards attached to this sheet. MAKE SURE TO RETURN THEM WITH THIS SHEET WHEN YOU ARE FINISHED.

Step 2: Study each pumpkin and take note of the shapes, sizes, and textures you can see.

Step 3: On a sheet of notebook paper, divide it into 4 sections—1 section for each pumpkin. Number the sections 1-4.

Step 4: Answer the questions in complete sentences for each pumpkin corresponding with its number on your paper. Each pumpkin should be completely different, yet they may be “related” somehow if you wish. Make sure to give them names!

Step 5: Return this sheet and the cards to the absent box and turn in your answers to your class turn-in bin.
