

Story Mountain Requirements:

1. On a large sheet of white paper, draw a story mountain for *The Legend of Sleepy Hollow* that we watched in class. If you were absent, the movie can be viewed online. A link is on our class website.
2. Using the notes in your packet, include on your story mountain the exposition, rising actions, climax, falling action, and conclusion for the movie. Your story mountain will be graded for accuracy, so make sure you have taken good notes.
3. Go over everything in color and decorate your paper to reflect the theme of the story. No pre-school scribbles! Be as neat as possible.
